

# Riptide Fundraising Agreement

Delaware Riptide has contract with Delaware Interscholastic Athletic Association (DIAA) to sell T-shirts at the Championship High School Tournaments. The shirts are shipped to us from Martin Screen Prints and we fold and sort them and sell them at the designated events. We make \$2.50 an item that we sell and \$3.00 and item if we can sell out the shirts for that event. On the average for the year we make between three and four thousand dollars. That money is directly used to pay for our summer costs including liability insurance, team taxes, award ribbons, trophies, team picnic and meet fees. This fundraiser is very easy and usually only takes a couple hours and its fun. Most events you get to watch the best teams in the state play each other.

I \_\_\_\_\_ the parent of swimmer(S), \_\_\_\_\_ understand that in order to swim with Delaware Riptide Aquatics we are required to volunteer at one Delaware Interscholastic Athletic Association championship game and sell t-shirts for Riptide. A \$50.00 retainer fee is required for each family. I understand that these funds will be forfeited if I or my representative fail to participate in a fundraising event. I understand that it is my responsibility to sign up for an event. I understand that selling opportunities will be emailed to team members approximately two weeks before the event and spaces will be filled on a first come first served basis. I understand that I will provide Delaware Riptide Aquatics with a valid email address that is checked on a regular basis. I understand that after successful completion of a DIAA t-shirt event monies will be returned to me in check form via US mail.
